Lite Edition**

Gone west, will write and send money when I can. Well, at least part of that is true. I have gone west and will write a longer WWWs next week. As for the money I may need you to send me some, hopefully I won't blow all my money on Broncos' stuff. ☺ Anyway I am heading out Thursday morning and will be back Monday night after the Chiefs vs. Broncos game in Denver on Sunday. This obviously means I won't be back in time to do the show this week. Early Wednesday morning I recorded what I think will be a pretty darn good show. Sheryl Clapton, who used to follow me on KOPN, will be hanging out at the station playing the CD's for me, though you will never know it if I hadn't told you. Hope you all are doing okay. Keep me in your prayers, not sure the Good Lord is too concerned about the Broncos winning, but I would like to make back in one piece so I can keep on keepin' your Country real. ☺ Have a good week and Anna Rose it is okay to go to bed early this week ☺, Woody
