**Woody's Weekly Wonderings
Lite Edition**

September 20, 2006

I'm back! This week's WWWs will be another "Lite" Edition. If I wrote a full one I would probably end up running behind getting the show ready for this week. From what I've heard the prerecorded show came off without a hitch. Anna Rose thought it sounded better than when I am "live". ☺ I don't know if she was joking or not. You can never tell about Ann Rose. Hopefully it sounded okay on your end. I'd like to know what you thought. Thanks for understanding the need to play a prerecorded show. I suppose if I were rich I could have flown back after the game and done the show. Of course if I were rich this would not have been my first trip to see the Broncos. ☺ It was a fun trip and great to finally see the Broncos in the person. I'll have lots of stories for you next week. This week's Spotlight Artist will be Bobby Bare.

Have a good week, I look forward to hearing from you this week ☺,
Woody
